(Plus A Grievance)

Today we have the SAME problem with the mail! it's now (10:33 AM) Business hours have been going now for a while. & I've been trying to get the mail for a while since about (8:30 AM) STILL no mail so I just started writing this letter so the court can poll the camera for today & see me asking the guard to help me & pass me my legal mail! Yes it's also legal mail I need to answer this my back or do paperwork for the court with it because I have several civil suits active now. I'm going to ask again & check the time & write it down. (10:38 or 10:40 AM) ok! This is what they do it a violation of my rights to my mail! Mail should be passed out around business hours (8:00 AM) or (9:00 AM) Period!!

Here's my problem with this place! Here in the Harris County Jail I understand ok! (you are in jail!) ok! fine you broke the law! This comes with a locked door! (OK BET!) That does NOT mean you can violate me at the same time in any way! if I go as far as to say this! I already being punished by being in jail! So of the things they do here are just inhuman period right now if you look it's now 10:48, it's freezing in my cell. They keep the AC on sub zero in here it's not like this in SB-183 jail diversion program tank

(2A1B) Another case of how Discrimination is a factor
in this jail!

David J. Bradley, Clerk of Court

At this point now the Deputy on Duty does not want

To pass at the mail! I ASKED him several times for the
mail + no help (12:20 PM) STILL the mail is just sitting on

His Desk! His excuse is I've been here ALL night He's working

a double shift so he's not going to help! Violating my rights too

my mail! These people have a really bad way about being in here

You're just an inmate + they treat you like shit! This is just an

example of the things they do out of spite! It's a shun! I'm a

human being + An American citizen in a county jail pending trial!

This is the way some of the Deputy's Act here in this jail! This

place is crooked as a hanger. The FBI Needs to put a foot down

Around here. Now my rights to my mail are Being violated look

at the camera it's now 12:30 PM STILL no mail passed out I going

To ASK him at the window now you'll see me walk up! with glasses

on! (as you can see still no help,) I explained to this man that

I am fighting my case + that I have legal mail in the mail stack

sitting in plain view of the camera it's a PTZ Camera so you

can here + zoom in I know what type of technology they

have in this jail because I'm also an IT technician I run

Tilt + Zoom cameras with P.A system features they can

even talk to you over their Panasonic (PTZ-P.A) cameras

Violating my Rights On Camera

(Duty to investigate) = Public Servant \Rightarrow 36.06 Penal Code

I Know What's going on! Make it worst I've Been trying

To get some help! The Judge's won't help me & I've been

having issues with the Clerk Marlyn Burgess & she didn't

want to send me my Record of my criminal history & more!!

These people in Houston are a trip! & it's racial at times

too. (They're racist!) as we speak my rights are being

violated & there still is no news paper! Rights to the press

violated & want to sue about 2/12/2020 no News Paper

No Mail! At this time it's 1240 still no mail passed

out & it came up to the tank late! they just don't give a

Damn I have court tomorrow 2/13/2020 I'm fighting my case

And they don't want me to get anything done on time!

As you can see pull the camera's & look at what's happening

Now this is a living document & I'm at the table writing

everything down. This is a civil suit about the news

paper being put in this tank! (there was none today!) my

right to the press! & my rights to my mail. Attach this

document to every civil suit I have in court. Know the Judge's

I've written the FBI about this matter in court as well

& all my civil suits they're about now. I AM in imminent

Danger of serious physical injury now in General population

with a sex offence & sex offender charge (Cause No. 1656516)

These People Are crazy in Houston it's still the south X Mayayakwah

ATT: (Attach to ALL my open CASE in court now please)

OK Now today (2/13/2020) I just get
Buck from court it's now (1137) + we still have

NO MAIL Again in my mail again this is a real
problem for people handleing legal business + they

need to start get work done at a resonable time

NO Mail + IT'S getting later + later in the afternoon

as we speak about this matter I ALSO would like to

Bring up the fact that today in court I was

violated by Judge Chuck Silverman via Denial of

(ART.17.0151) Release Because of Delay! This is Law!

The actions of the Judge reflect obstruction 36.06 Penal Code

I'm also going to write this Judge up!! I'm Indigent

in this matter so a PR-Bond would have been the proper

thing to do in this case! Judge Chuck Silverman was

notified about + of the law + what it say's but he

still chose to break the law from the Judge's position!

Obstruction of Justice By a Public Servant is a

felony - 3 Charge + this is a case of obstruction + it

seems like the law get broken all the time in the

Harris County Justice System Period! A law broken

By a reperesentitive of the law makes it even worst!

You are a Public Servant for Justice + you don't up

hold Justice At ALL! Gregory Wade Brooks X staymycurroott
